5. COMMENTS & QUESTIONS FROM THE FLOOR TO COUNCIL (CONT'D)

- Petition stating “As taxpayers of North Algona Wilberforce Township we disagree with councils decision to not subsidize all or any portion of the proposed user fees for the Eganville Arena. A large number of children use this facility. You, as a council, are discriminating against low income families and forcing them to withdraw their children from organized sports where they learn critical social and developmental skills. The new user fee is too expensive! Our kids don’t have many places to go where they can be with their friends in a supervised, safe environment. Every community needs this. We want North Algona Wilberforce to work in partnership with our neighbors, Bonnechere Valley and support our children. It takes a community to raise a child and these children are our future!” submitted by Keri Lynn Walker for Township records.
- E-mail dated June 9, 2010 from Anne George re user fees.
- E-mail dated June 11, 2010 from Jane Good re user fees.
- Fax dated June 14, 2010 from Ish Theilheimer re user fees.
